Summary

Kinoshita Mairu is a very plain-looking girl. "Ugh, what's with her style?" screams into the minds of everyone who sees her. Her nickname is Prince Mairu-ron. However, Master Tengu gave her an epithet by telling her "Don't use being plain as an excuse." She was transformed into a cute girl, then begins her adventure!

However... the path of love is not always such a sweet thing. She fell in love for the first time. And with Mary-kun, she experienced her first bitter heartbreak. She met a salaryman on a social networking site, Mairu-san. Going along with this adult romance, it ended in a heartbreak.

Right when that happens, behold Prince Charming was right in front of her. It was her childhood friend, who up until now had been coldhearted to her. Letting everyone think that belated Mairu, it was actually love. With his character doing a complete 180 and now trying to win Mairu over, he sends everything into chaos! But, thinking about it, could it be that Mairu Mairu's destined man...?!
